NOTE:

All program Study Guides *must* be purchased by your agency *directly* through the International office. These are printed on demand with a separate PO from your agency and should be ordered 30 days in advance of your program. Please visit the International website www.lmsaSafety.org for additional detail. If your agency has participated in past programs, you may still have the latest edition. Please call the international office (800 723-8083) to determine if your study guide is still current.

Signs & Pavement Markings Technician programs are *totally new* programs. Level 1 still includes both Signs and Pavement Markings. Level 2 certifications are now divided as standalone programs (Signs Level 2 & Pavement Markings Level 2). Visit the international website for more detail at www.lmsaSafety.org.

Read program flyer details carefully. Most programs are longer than one day. Lunches are the only meals that will be provided.

WORK VERIFICATION FORM - All individuals electing to take the certification exam *must* include a Work Verification Form with your reservation.

PAYMENT & RESERVATION - You will be expected to bring payment with you to the program. If other arrangements need to be made, contact Tim DeWitt at timdewitt@carriergable.com.

Email your request to timdewitt@carriergable.com or Fax to 248 473-0730
