The Muskegon River is wide, slow moving and generally pretty shallow in this area. It provides a very relaxing and fun filled float, especially if you bring along your beverage of choice!

For those who would like to participate in the Saturday canoe trip *without* camping, you *must* show up prior to the bus leaving at 10:45 AM sharp. You might even be able to 'scarf' up a little leftover breakfast from the serious campers if you get there early enough.

Evening campfires rule the night. Bring your chairs, beverages and prepare to hear tall stories unfold!

Remember: Reservations are made directly through the campground-mention IMSA. Watercraft reservations should be sent to Tim DeWitt at timdewitt@carrierable.com.
