CANCELLATION NOTICE

Family Campout and Canoe Weekend

Chinook Campground, Grant, MI

Date: July 31, 2020

The Michigan Section IMSA, after considering the current situation we all find ourselves under have decided the best course of action is to cancel the event for 2020.

The campground is sold out and IMSA had been holding in reserve two large sites and many water craft. Considering that IMSA only had two confirmed reservations and we are close to the event date, it became apparent we needed to release those campsites/watercraft. If you **don't** have a current reservation and plan on attending, call the campground immediately to secure your space and watercraft while there are still sites from our block of reservations available.

If you hold a reservation now, it has **not been cancelled** and you will need to contact the campground directly to confirm your attendance and the watercraft you will need.

The Michigan Section has reserved the dates of July 29-Aug 1, 2021 for the next scheduled family campout and canoe weekend.

Thank you for your understanding.
